When you say "release to the public" - do you mean for the comment period, or will that be the final EA with the FONSI and decision attached?

And, was the BLM Field Office a cooperating agency in development and review of the EA? If not, would you please coordinate with them (with documentation that I can provide to WO when I send in the package)? I'll do what I can from this end to encourage the FO to respond as quickly as possible.

Hi Steve  
Here are all of the corrected documents that you asked for. We have not released the EA to the public yet, so this is the draft. We plan to release the EA to the public within the next two weeks. The withdrawal revocation is listed on page 38. Let me know of any additional edits.  
Thanks!  
Dee
